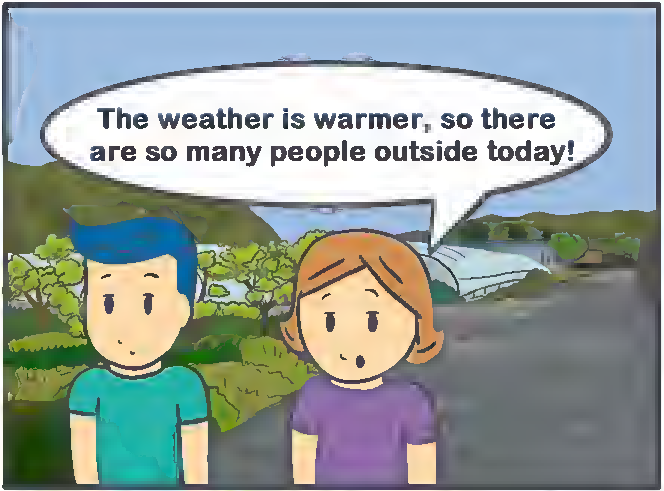
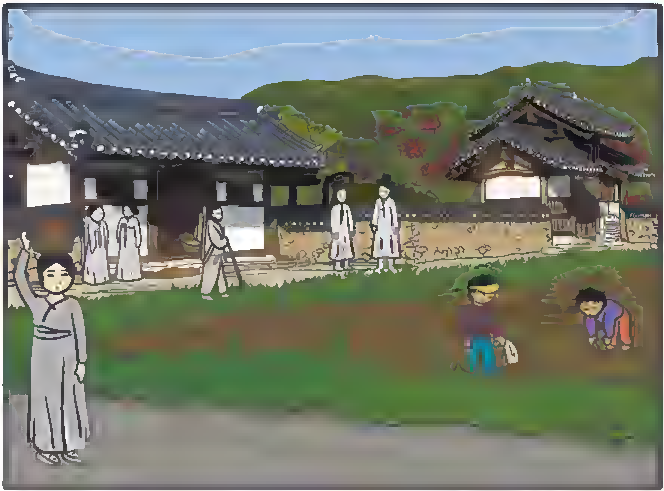
NICHOLALALA



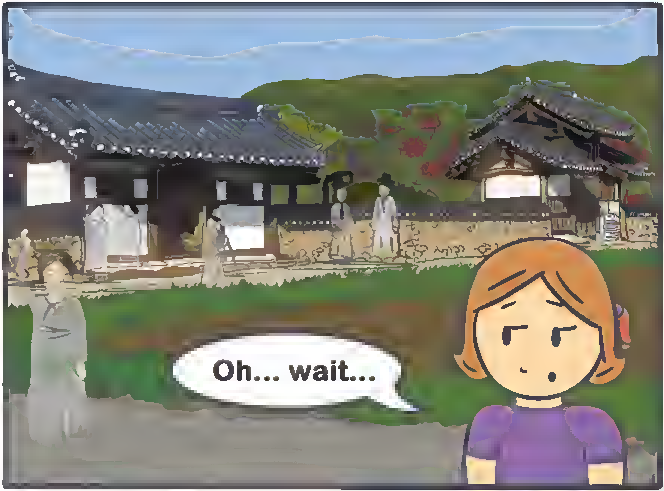
The weather is warmer, so there are so many people outside today!

What are you talking about?
There's only two old ladies!



There are lots of people!

Is there a festival? They are in traditional clothes...



Oh... wait...

You are seeing ghosts again, aren't you?!

Don't tell me when you see ghosts!

Okay...

Why does it feel so cold behind me?
...there's one behind me isn't there?

Ahhhhhh!

Why doesn't he like me?

I like him...

...especially his butt!
